Third Annual Jacksonville Mini Maker Faire on February 15 at MOSH

“Make, create, craft, recycle, build, think, play and be inspired by celebrating arts, crafts, engineering, food, music, science and technology.”

JACKSONVILLE (January 30, 2020) – The Maker Faire is coming back to Jacksonville! The third annual Jacksonville Mini Maker Faire is Saturday, Feb. 15, 2020 from 10 a.m. to 5 p.m. at the Museum of Science & History (MOSH). Maker Faire is the Greatest Show (and Tell) on Earth -- a family friendly showcase of invention, creativity and resourcefulness, and a celebration of the Maker movement.

Makers range from engineers to artists to scientists to crafters to garage tinkerers. They are of all ages and backgrounds. “The aim of Maker Faire is to entertain, inform, connect and grow our community,” said Maria Hane, President of MOSH. “Jacksonville Mini Maker Faire is a celebration of creativity and ingenuity in and around Jacksonville. It is an incredible showcase for imagination, invention and hands-on technical skills and a wonderful blend of art and science.”

In addition to the Maker showcase, the day features special MOSH programming in the Bryan-Gooding Planetarium; activities in MOSH’s maker space, Creation Station; Maker-led workshops throughout the Museum; meet and greets with the animals in the Florida Naturalist’s Center and live performances by local artists.

Tickets to the Jacksonville Mini Maker Faire are on sale! Ticket prices include: Adults \$12; Children (3+) \$8 and Children (Under 3) FREE. To purchase tickets, visit <https://bit.ly/30JGJLL>. For a list of Makers participating in this year’s Maker Faire, visit
